The umpire will determine if both teams are ready for regulation play. In league play a regulation team can give a forfeiting team an additional 5 minutes to field a team. This time will be considered as part of the 55-minute game time. Batting orders can not be changed once turned in. Late players will be added to the end of the order. SEASON:

PLAYER ELIGIBILITY:

A player may play with three teams. One team would have to be in the Men's/Women's, the other in the Church League and the third in the Coed League. (Example: A player could play City A ball, Church ball and Coed ball, but not on another City B or C team.)

In order for a forfeited game to count as one of the 3 games the team forfeited to must submit a line up so that names can be recorded into the score book. If a team is forfeited to and a roster is not filled out, then that team will use the last two game rosters as the roster for the missed game. A player who is not on the rosters will not be able to count the game for eligibility.
3. Players can only change teams once during the season.
4. A player from one team can play for another team if the game has been forfeited. If a player from one team plays on another team, in a game that has not been ruled a forfeit, then the eligibility rule has been broken and the game is forfeited.

Games can be called after five innings if a team is ahead by 10 runs and after two innings if a team is ahead by 20 runs. Championship games - **seven innings**, with the ahead rule changed to 15 runs after five innings and 25 runs after two innings. If a game is tied in tournament play, the last out will go to second base at the start of the inning.
2. Batters will come to bat with a one and one count. They will be allowed **two strikes and three balls** per time at bat. Fouls will count as strikes. Strikes will be awarded if pitched ball hits any part of the base and its extension, and has a 6ft. to 10ft. arch measured from the ground.
3. Singles or doubles will be awarded to players hitting the ball over the right field fence in Snowflake. An out will be declared on the 5th over the right field fence single.
4. Games that are tied after seven innings will be played off if the 55-minute rule has not come into effect.
5. If a team elects to bat only players who take the field, (including EP), then that team can only substitute a player back in once, in the same batting order, for who ever took his/her place. If a team elects to bat all of its players on the roster, then the substitution rule does not apply.
6. Courtesy runners must be the last out, and are allowed for any reason at any point during the inning - 1 per inning per team.
7. Coed - Men that are walked go to second base. If there are two out they go to second and the female batter has the option to bat or go to first base.

8. **Pitcher Safety Zone:** Any ball that enters any part of the pitchers safety box is dead and the batter is out. The ball can not be played once it has entered the box, even if it only crosses the corner of the box. A pitcher may play a ball that is outside of the box while still standing in the box. Balls hit 2' above the pitchers head at the pitchers point of delivery will be considered a legal hit outside of the box. Rule does not apply if the picture is not in the safety zone.
9. A base runner is not required to slide at home plate. However if there is **ANY** contact between the base runner and the catcher than the base runner is out. Catchers can not deliberately cause contact in an attempt to subvert this rule.
10. Games will start with 5 ball provided by the league. If the balls are hit out of bounds and not returned then the game will stop until the balls are retrieved. The game clock will continue to run while balls are retrieved.
11. In case of inclement weather, playing conditions will be decided at the game site.
12. In the event of rain or any other cause, which prevents a tournament game from continuing, the game will be resumed from the exact point of departure and will be completed at the first opportunity,(unless 5 inning rule is in effect).
13. In games with only one umpire, the umpire may use the field supervisor to assist with "leaving the base early" calls.
14. No metal cleats allowed in any play.
15. Women's League will use an 11" ball and the men's will use the 12" ball. The Coed League will use both.
