5. DISCUSSION/ACTION ITEMS

A. Consideration & Possible Approval of Resolution No. 2016-09 Submission of Application(s) for FY16 State Community Development Block Grant (CDBG) Funds. Don Camacho explained the original intent for the CDBG Funds was to construct a park at the Centennial Fields location. He listed the obstacles that would have to be addressed:

- New bathrooms would be needed to accommodate the additional use
- Lighting would need to be addressed
- Only half of the proposed area for a 3rd field was deeded to the Town so it is necessary to obtain a corrected deed for the entire area
- Staff would like to use as much of the money as possible for the park itself and the new location will allow that

Cathie McDowell said if Council acts tonight on the Resolution, a lengthy extension process can be avoided. She said Pioneer Park is a good location for the splash park. Camacho agreed. In

response to Council's question, he said Pioneer Park is open dawn to dusk and the splash park would be the same.

Johnson, L said Pioneer Park is a good location but changing the location does not enhance the Centennial location and there is nothing for kids to do in that area. Comments were made regarding the need for a master plan for the Centennial Fields area. Richards said that this issue could be put on a future agenda. Hensley asked where the splash park would be located at Pioneer Park. Camacho said it would replace the sand volleyball courts.

Motion by Johnson L, 2nd by Hensley, to approve Resolution No. 2016-09 Submission of Application for FY16 State Community Development Block Grant (CDBG) Funds. Motion passed; unanimous
