

It shows up in the news, on commercials and across social media platforms, but what do you really know about “Cyber Attacks”?

- ◆ Who are these “bad-guys”?
- ◆ What is “cybersecurity”?
- ◆ What can you do to protect your computer system?

Please join AZ Cyber Security Program Coordinator Tina Slankas for a one-hour Cybersecurity workshop!

This program will give practical advice on what individuals, small businesses, local organizations and government agencies can do to harden their computer systems against unwanted intruders
