2. **DISCUSSION ITEMS**
 - A. **DISCUSSION OF TOWN BUILDINGS**

Old Fire Station- Mountain MultiFit approached Brian about using the old fire station as a new gym location since they have to move out of their building. Council doesn't think it's a good fit and would rather keep it as a fire station for the time being.

Academy Building- possibility of leasing the main floor to the school or as office space; would need some work to be ready. Divina Management can look at it besides doing the pool to see what they think.

Pool- Things are going well with Divina Management. The roof has been shored up, the walls were fine. We've paid \$80,000 so far but it's not too late to stop the work if we don't want to continue. Council feels the same still about moving forward with the pool renovation.

Trails- Brian is going to continue working on the trail system.
